Lord, I ask for forgiveness for all these sins that I have renounced and I repent of them. Thank You that these sins are now taken away from the books in heaven on the basis of the Blood of Jesus.

Heavenly Judge, I ask You to dissolve and destroy the covenants with all demons and demonic forces connected to the sins I have just confessed and that are associated with Hinduism and other Eastern religions, rituals and practices. I ask You to judge these spirits and sever me from them. I command them in Jesus' name to leave me now!

(Pray here under the guidance of the Holy Spirit until you experience relief. Name the Hindu idols that you or your ancestors worshipped, or those that stirred something within you when you mentioned them.)

Lord, I ask You to break every tie with demonic principalities associated with India and other countries that are strongly connected to Hinduism. *(Name them specifically if you or your ancestors come from such a country.)*

In the Name of Jesus I now sever any soul tie with any Hindu priest, any Hindu teacher, Hindu hermit, Guru and yogi.

[9] The ancient Hindu Laws of Manu are a set of laws and regulations written by the sage Manu in ancient India. These laws are considered the basis of Hindu law and have been in use for centuries. The laws cover a wide range of topics, from marriage and inheritance to criminal law and taxation.

Lord, restore all parts of me that were lost to other dimensions. Reunite them with You, cleanse them with Your blood and bring them back in me. I ask You to remove all negative effects of these false religions now and to cleanse and heal me from them in Jesus' name. I also ask You to remove every psychic gift and sensitivity from me and to completely cleanse my spirit, soul and body with the blood of the Lord Jesus from all things that darkness has placed there, including all satanic marks.

Lord, thank You for filling me with Your Holy Spirit. Amen.

House cleansing:

It is important to cleanse your home of all occult and ritual books, jewelry, idols, altars, music, DVDs, declarations of intent, emails, and other sacred objects associated with Hinduism and related areas. Remove these objects from your home by throwing them away, burning them, or destroying them in some other way. Then cleanse your home in prayer.
