

Court session for cleansing your generational bloodlines and your DNA

a. Preparatory prayer

Heavenly Judge, create a canopy around, above and under this room and cover it with the blood of the Lord Jesus Christ and the fire of the Holy Spirit. Make this canopy sound-, sight- and projection-proof for the dominion of darkness and all its servants. Cleanse the canopy with the blood of the Lord Jesus and fill it with Your Presence. Thank You for the angels that You have given to us to protect and help us. Holy Spirit, lead us in this court session.

b. Step into the Heavenly Courtroom in the spirit

c. Prayer and confession

I acknowledge, honor and worship the Triune God Almighty as Heavenly Judge. Righteousness and justice are the foundation of His throne. Thank You, Heavenly Judge, that I may come before You for the cleansing of my bloodline and my DNA from all sins and iniquities. I ask You to bring into the courtroom all relevant books about me and my ancestry and to open them.

I ask for forgiveness for my sins and for the sins of my ancestors in the generational bloodlines of my father and mother all the way back to Adam. I repent on behalf of all my ancestors for the sins we have committed against You. I choose to forgive my ancestors for their sins and I release them. I declare that I take responsibility for my own sins in these areas.

Every sin and iniquity that I confess hereafter, I will also confess on behalf of my ancestors. For each of these sins and iniquities I ask for forgiveness and I repent from them:

- 7. I confess and repent for every man in my bloodline including myself, who has traded his seed (his biological seed as well as his offspring) for power, money etc. I ask for that seed back and declare that my seed and the seed of my offspring will no longer be traded in the spirit realm.***

Search me, O God, and know my heart; test me and know my anxious thoughts. See if there is any offensive way in me, and lead me in the way everlasting (Ps. 139: 23-24).
 Then become quiet and listen to the Holy Spirit if there are more sins to repent from.

d. Cleansing Prayer

If the Holy Spirit does not convince you of any more sin, then you can ask the Lord to wash away all your sins and the sins of your ancestors with the blood of Jesus by praying:

Heavenly Judge, I ask You that the blood of Jesus Christ will cleanse me and my generational bloodline from all sins, that I have confessed and renounced. I close every door to darkness and the occult in my life, that had opened as a result of sin. I renounce every demonic inheritance, that has been the result of an ungodly transaction, contract or covenant that I and/or my ancestry has entered into with the kingdom of darkness or with one of his servants, and I give this inheritance back. This inheritance includes all demons, who keep my spirit and soul in bondage in order to move in the occult realm, all occult gifts including the gifts of divination and healing, all telepathic and psychic gifts, the gifts to hypnotize and to function as a medium, the gift to see with the third eye and all other occult gifts.

e. Negative testimonies of other people

Heavenly Judge, because of Your Word in Isaiah 54:17 I refute every tongue, that has accused me in the Heavenly Courtroom.

f. Acquittal

Then you listen to the verdict of the Heavenly Judge: Are you being acquitted because of the blood of Jesus? Does the Holy Spirit reveal anything else about the verdict?

Thank You, Lord Jesus, that You forgave me all my sins, having cancelled the written code, with its regulations, that was against me and that stood opposed to me; You took it away, nailing it to the cross. And having disarmed the powers and authorities, You made a public spectacle of them, triumphing over them by the cross (Col. 2:14-15).

Receive the verdict in your heart (acquittal because of the blood of Jesus).

g. Let the demons be brought in the courtroom

Heavenly Judge, I ask You to send Your angels to get all demons, who are involved in the sins of my ancestors and myself, that I have confessed previously. I ask that they will be bound and brought into the courtroom and that they will be told very clearly that they are not allowed to disturb this court session.

Thank You, Heavenly Judge, that Your angels have been given the mandate to keep order. I also ask You to bring all persons, of whom You consider it necessary to be in this court session.

Heavenly Judge, I ask You that all pieces of evidence for this court case will now be brought into the Courtroom.

h. Read the charges and claims

I charge the demons, that are now in the Heavenly Courtroom, because they have hindered me to walk in my destiny, so that Your Kingdom, Heavenly Judge, could not be completely released in and through my life. Because they have no legal rights anymore as a result of my confession of sins, I now claim a complete separation from all these demons and the release from every form of spiritual imprisonment. I furthermore claim a complete cleansing from everything the powers of darkness have put in, on or around me, the release of all demonic and/or wrong soul ties with people, that have been created by these demons, and also the release of all ungodly transactions, contracts and covenants. Finally I ask for restitution of all things that have been stolen from my life by these demons.

i. Rendering of the verdict

Heavenly Judge, I ask You to render a verdict on the charges and to grant my claims. I ask You to hand me the verdict and the divorce papers. Thank You, Heavenly Judge, for Your righteous judgment. I receive Your verdict together with the divorce papers.

Receive the verdict together with the divorce papers in your heart. What does the Holy Spirit reveal about the verdict?

j. Execution of the verdict

Heavenly Judge, I ask You, to execute judgment based on the written verdict and the divorce papers and to assign Your angels for this task with the right mandate.

I ask You to assign the angels to unbind, destroy and throw into the abyss the following ties: all unclean ties, ritual ties, ties of death, ties of witchcraft, all other demonic or wrong soul ties between me and every person, dead or alive, and every demonic power. With the sword of the spirit I cut loose all demonic ties between my soul and spirit in Jesus' name. Lord Jesus, cleanse me with Your blood from all ties mentioned above.

Lord Jesus, I also ask You to cleanse me from all curses, marks, veils, yokes, every demonic seed and from all other things that have been put in, on or around me by the powers of darkness.

I ask You, Heavenly Judge, to annul and destroy all ungodly transactions, contracts and/or covenants, including the covenant with death. I also ask You to remove my name and the names of all persons in my generational bloodline from every altar, we are connected with² and to annul every sacrifice that has been sacrificed. Holy Spirit, destroy every altar with Your fire. Lord, I also ask You to destroy with the fire of the Holy Spirit all my lost DNA and the lost DNA of my generational bloodline, that can be used against us by the kingdom of darkness or by one of his servants. I also ask You to remove the hooks from all places where the powers of darkness have used this DNA to hook themselves to me and/or the persons from my generational bloodline, and to close the openings in the name of the Lord Jesus Christ.

Heavenly Judge, I ask You that every part of myself and of the persons in my generational bloodline, that has been kept in prison in the realm of darkness, now will be released from these prisons, will be cleansed

² Altars in the Netherlands (concentration camps, homosexual clubs, brothels, places where people have been raped, war memorials, places where people have fought and blood has been shed, places where in ancient times people have worshiped gods and connected with spirits), altars in Surinam, Netherlands Antilles, with the pyramids of Egypt, in Greece, the Roman Empire and every other country that both of your generational bloodlines are connected with (for example Stonehenge in the UK, Coliseum in Italy etc.)

with the blood of Jesus and will be integrated in the person, from whom it has been taken. I also ask You that all these prisons will be destroyed with the fire of the Holy Spirit.

I ask the Heavenly Judge to assign His warrior angels to separate us now from all demons, that are operating in my life and in the lives of the people in my generational bloodline. Lord Jesus, I ask You to deal with these demons according to Your will.

Lord Jesus, cleanse my DNA and the DNA of my generational bloodline with Your blood from all genetic patterns of iniquity and transform all impure genetic material in my DNA and in the DNA of my generational bloodline with Your blood.

I ask the Heavenly Judge to assign angels to get back all the good things that have been stolen from me because of sin, and to put it back into my life. (recall what you have lost and name the things you would like to receive back again, like your destiny, gifts, health, provisions etc.).

Heavenly Judge, I pray all this in the name of Jesus Christ of Nazareth, Who came in the flesh, and by virtue of the mandate and the authority, I have received from Him.

I now seal all things I have prayed under the blood of Jesus. I declare that as for me and my household, we will serve the Lord! I speak the life of Jesus Christ over me and my family and I release the words of Jesus over my household, saying 'I am the resurrection and the life'. I declare that the inheritance of me and my family is the life of Jesus. I thank You, Jesus, that from now on You cause me to truly live and walk in my destiny so that Your Kingdom will be established. Amen.

k. Close with thanksgiving for the court session and praise

l. After the court session

Proclaim the verdict (in order to land the verdict on the earth) and align your thinking with the verdict.

Be vigilant so that what you have received through the verdict will not be robbed again by the powers of darkness. Keep seeking intimacy with Jesus and being changed into the image of Jesus.

If the powers of darkness do not listen to the verdict of the Most High, then go back into the Courtroom of Heaven to hear what the Holy Spirit reveals about the reason. If there is no other reason than the disobedience of the demons, then ask the Heavenly Judge to release His judgment over the demons (because of contempt of court).

Stay relaxed and connected to the Lord while taking the land that He has promised you and that has been written down in your scroll.
