

Renunciation & Deliverance Prayer for Occultism

Lord God, heavenly Judge, I enter into Your courtroom to confess my own sins and the sins of my ancestors in the area of occultism and to receive acquittal based on the shed blood of the Lord Jesus Christ. I ask that all books about me and my ancestors are brought in and that they will be opened. Thank You for the guidance and revelation of the Holy Spirit.

I confess on behalf of myself and my ancestors the sin from Deut. 5:7 of having other gods before You. I repent of this sin and ask for Your forgiveness.

1. I renounce every demonic spirit and idol associated with the occult religions and movements in which I and my ancestors have been involved and I break every occult bond with them.
2. I renounce every occult teaching and I ask You, Lord, to remove all occult seeds from my mind. Help me, Lord, to break down every demonic stronghold in my mind and to fill myself with Your Word.
3. *If you have spirit guides:*
I renounce and sever myself from every spirit guide that I have allowed into my life. *(be specific if possible)*
4. I confess and renounce every occult ritual that I and my ancestors have done.
5. *Pray only with psychic abilities:*
I renounce every psychic ability. Lord, take away this demonic imitation of the gifts of the Holy Spirit and wash my spirit clean with the blood of the Lord Jesus.
6. I confess, renounce and revoke every covenant and oath that I or my ancestors have made and/or sworn during occult initiation rituals or other rituals. I break these covenants and oaths and their consequences in the name of the Lord Jesus Christ.
7. I break every demonic tie with occult healers, fortune tellers, mediums and others who move in the occult world, from whom I and my ancestors have sought help. I also break every occult bond with the demonic powers, who are associated with these occultists.
8. I renounce and annul every word of divination that I have received. I break the power of these words over my life in Jesus' name.
9. With the blood of the Lord Jesus I remove my name and the names of all persons in my bloodline from every altar that we are associated with and nullify every ungodly sacrifice that has been made. Holy Spirit destroy every altar with Your fire.

Lord Jesus, I ask You to completely cleanse my spirit, soul and body including my DNA with Your blood from all sins that I have confessed and renounced and from every form of darkness that is associated with it.

Based on my confession and the forgiveness through the blood of Jesus, I command all spirits associated with occultism to leave my life and my bloodline now in the name of Jesus.

Lord, then fill me again with Your Holy Spirit. Amen.

House cleansing:

It is important to cleanse your home of all occult and ritual books, music, DVDs, letters of intent, e-mails, and other sacred objects. Remove these items from your home by throwing them away, burning them, or otherwise destroying them. Then cleanse your home in prayer.
